4-H Shooting Sports at Dunham's Bay

The 4-H Shooting Sports program has been actively using the club for the last 10 years. During that time, the program has offered air pistol, air rifle, rifle, muzzleloading, and archery programs at the facility. See the website for upcoming activities and age limits. Thank you for the support.

What 4-H is? In 4-H, we believe in the power of young people. 4-H is America's largest youth development organization with over 6 million members. Youth ages 5-19 are welcomed and encouraged to join anytime during the year.

4-H is delivered by Cooperative Extension—a community of more than 100 public universities across the nation that provides experiences where young people learn by doing.

For more information: email John Bowe (jfb32@cornell.edu) or call 518-668-4881

Archery anyone?

Pat Beland, one of the Board of Directors has heard a lot of feedback about pistol shooting activities. There are a lot of options out there to choose from. Do you want to shoot steel plates, reactive targets, IPSC, or paper? Pat is planning a meeting on Thursday March 7 at 7PM at the clubhouse.

Now is the time to give your feedback about what type of pistol shooting you would like to see the club offer. This is also a time to meet other members who share similar interests. Stop on by. There's no obligation for sharing your opinions, but volunteers are always welcome!

Are you interested in Trap?

There has been an incredible amount of interest in the high-school trap program in New York. Locally ten schools enrolled last year and there are at least two additional schools working on developing a team. Warren County currently has Bolton participating in the program and Hadley Luzerne has registered a team. We are planning a general interest meeting about developing a trap field here at the club on Wednesday Feb 27 at 6:30.

How can you help?

VOLUNTEER

The club wants to offer more programs for its members, but we need people to step forward to offer to help. Are you interested in a pistol league, steel/silhouette shooting, etc? Step on up and let us know what you want. How? Email John Bowe at boweshushan@gmail.com or come by the next meeting: 2nd Wednesdays of the month: March 13, April 10, May 8, June 5.
