

Dunham's Bay Fish & Game Newsletter January - 2019

A message the President . . .

First, I would like to say Happy New Year! Second, I would like to give you my heart felt apologies for being late on sending out the membership renewal forms. We hope that you will join the Dunham's Bay family yet again this coming year.

Sincerely,

Sean Garvey – President

Newsletter Chairman – Hi, I'm John Bowe and I have been a member of Dunham's Bay Fish & Game for nearly ten years. I've volunteered to help develop your newsletters. So if you want something in the newsletters, please email me: boweshushan@gmail.com

Treasurer

The club is currently seeking an individual who is interested in/willing to serve as the Treasurer of the Dunham's Bay Fish & Game Club.

- Duties include: processing membership applications, maintenance of membership payment log (Excel), deposits of both cash and checks, balancing a check book, and providing monthly reports that include income, expenses, and account balances.
- Term: to start immediately
- Benefits: Once a full year of service is provided, the club provides free membership to the treasurer.

If you are interested, please email Sean Garvey at sean@garveyauto.com Mark the email as high importance and include Dunham's Bay Treasurer in the subject line.

Membership Applications –PLEASE READ AND FOLLOW THE DIRECTIONS

Included in this mailing is your membership application for the 2019 year. Please complete the application as follows:

- ***Print in clearly written block letters your name, address, and email. DO NOT WRITE IN CURSIVE except for your signature on the waiver.*** Alternatively, if you have mailing label with a printed name, address, and telephone you may use that.

We have had a number of complaints by members who do not receive mailings and many times this is due to the our Treasurer and Membership

Security Camera Chairman

As you should all be aware. The building and ranges are under security camera surveillance and we are seeking someone to assist with the responsibility of these cameras.

Duties: review footage for rules violations, follow up on complaints posted/expressed by members about specific rules violations, contact the President about any range violations shown to include clip, date, time, and member if possible. Coordinate maintenance of the camera system.

New Activities

There have been a number of inquiries about the club hosting new activities. We want to hear about what interests our members? To make these happen, the club needs someone to step forward to start the ball moving by picking a date for a meeting of general interest. The club will

send out an e-blast to the members, then the group will need to report back to the club at the monthly meeting (second Wednesday of the month) what the groups interest are.

These are potential topics that have been mentioned: Trap and Skeet range – meeting February 27th 7PM at the clubhouse, pistol league(s), Archery, muzzleloading, steel plate/IDPA, turkey hunting patterning. Email Sean Garvey at sean@garveyauto.com include in the subject line Dunham's Bay New Activity
