\$10 FOR MEMBERS OF DBFGC, \$20 FOR NON-MEMBERS

SIGN UP OR ASK QUESTIONS BY EMAILING SAM CHRISTIANSEN AT DBFGC.LEAGUE@GMAIL.COM (**PRE-REGISTRATION REQUIRED AS ONLY 25 SPOTS ARE AVAILABLE.** PAYMENT WILL BE COLLECTED DAY OF THE EVENT)

What to expect?

Four stages with ranges from 5 to 190 yards.

Engage static and dynamic targets from multiple positions

Obstacles and props to both help and hinder you on each stage

This is an outdoor event in January, so expect the cold, and hopefully some snow, to be a factor.

What equipment do you need?

Recommended equipment is a center-fire rifle and center-fire handgun. Rimfire is allowed but certain targets may not fall with rimfire cartridges. Divisions and rules will be posted to the Dunhams Bay Fish and Game Club Inc. website and are available by emailing the address above.

Those wishing to shoot handgun **MUST** have a strong side, OWB holster with sufficient retention to hold the pistol while moving

Those with only a rifle or only a handgun can still come shoot! Everyone is encouraged to come shoot as much or as little of the match as you are comfortable with.

Ammunition: You'll want to have at least 100 rounds for your rifle and 100 for your pistol. All four stages can be completed with less than that, assuming you never miss, so more is better!

Magazines: You'll want as many magazines as you can carry because you **WILL** be reloading on the clock so bring all the mags, stripper clips, chargers, or en-bloc clips you can!

Certain Divisions may have additional equipment requirements.

Who can sign up?

ANYONE! Ok, not quite anyone. You must be 18 years or older OR 12-17 may compete with the permission and direct supervision of their parent or guardian.

All the stages are designed so that anyone who knows the basics of safe gun handling and basic marksmanship can complete every course. Some will be harder than others, but everyone should be able to get through it!
